CHICAGO HAS HARD TIME

KEEPING LEADERSHIP Wins But One Game Out of Six in Week's, Play, and Lead Is Cut to Narrow Margin.

to Narrow Margin.

[By Associated Press.]

NEW YORK, August 12.—Chicago, in the American League, is meeting difficulties in holding on to first place, while New York, in the National, has brought to a close its victorious trip through the West. The White Sox, winning only one game out of six last week, saw their lead cut down to virtually nothing. To-day they gained slightly on Boston by defeating Cleveland, 4 to 3, in thirteen innings. The Gaints, by taking five out of six games, increased their lead still further, and unless some of the first-division teams show greatly improved form, Labor Day or shortly thereafter may see McGraw's club with the 1917 National League pennant virtually assured.

League pennant virtually assured. For a league-leading team, Chicago played poorly in its games against Philadelphia and Washington, second-division clubs. Monday's and Tuesday's games were lost to Philadelphia, the first after eleven innings. Against Washington, in four games the White Sox could make only five runs and fifteen hits, and they won only one game. Two hits was the result of the Chicago hitting in Friday's and Saturday's games.

In contrast to Chicago's poor work, In contrast to Chicago's poor work, Boston and Cleveland improved their play and gained on the leaders. The Red Sox broke even in two games with Cleveland, and then won four out of five from Detroit. Cleveland traded third place back and forth with Detroit early in the week, but by winning four out of five from New Year Week. four out of five from New York gained a fair lead over the troublesome Tigers. New York and Detroit fell back slightly through their poor work in their respective series against Cleveland and Boston. Returning home to-day, the Tigers beat St. Louis and gained on Cleveland, defeated by

Chicago.

# Certain-teed Roofing

Thru quality and sheer merit as a roofing material CERTAIN-TEED is now being used as the preferable type of roofing for sky-scrapers, factories, hotels, stores, warehouses, garages, farm buildings etc., where durability is necessary.

It is economical to buy, inexpensive to lay and costs practically nothing to maintain. It is weather-tight, light weight, clean, sanitary and fire-retardant. It is guaranteed for 5, 10 or 15 years, according to thickness (1, 2 or 3 ply).

There are many roll roofings on the market, but only one CERTAIN-TEED. It pays to get the best. It costs no more to lay a CERTAIN-TEED roof than it does to lay a poor roof, but there is a vast difference in the wear. You can't tell the quality of a roofing by looks or feel. Your only safety is in the label. Be sure that it is CERTAIN-TEED—then you are certain of quality and guaranteed satisfaction.
